Issue dated: Wednesday 15th January

* HAPPY NEW YEAR *

Don't forget that a major event in the short history of the South Essex Amateur Radio society will take place here at The Paddocks in just two months time. Sunday the 16th March we will be holding our first Mobile Rally. It is essential for the success of the venture that we have the full involvement of all members. Please keep in close touch with Albert G4FMK during the coming weeks.

Refreshments are very important at a rally. Apart from the Bar, we are providing fresh, home-made food at reasonable prices. To do this we must have help from the ladies. Will all male members please ask their wives/girlfriends to help out? We would like the ladies who are willing to be involved to bring along to the Club meeting on the 29th January: just to get together with Haidee, Jean and Betty.

MONEY - MONEY - MONEY !!!

Please note that subs are now due. See Adam G0AUR, our Treasurer, with a beam of delight when you pay up.

DATA PROTECTION

The names and addresses of all SEARS members are filed on computer. If you object please inform Albert G4FMK and your record will be deleted.

THE PAST MONTH

The Christmas social was enjoyed by all who came along. Many thanks to those who provided the refreshments and raffle prizes. And the fine musical entertainment delivered by the ten flashing thumbs of our President (Liberace) Vaughan was a highlight. This despite the doubtful lyrics used by some members during the sing-along.

Triumphant trophy winners in the Construction Contest were Ken G0BBN (against Jan G1JFI and Dave G4UVJ). Well done!

FORTHCOMING EVENTS AT THE PADDOCKS:

- Wednesday, 22nd Jan. How the QSL Bureau Works. Mick G4NVT
