| Denis G0DEN (Treasurer)     | 01268 695474 |

### Photo Competition

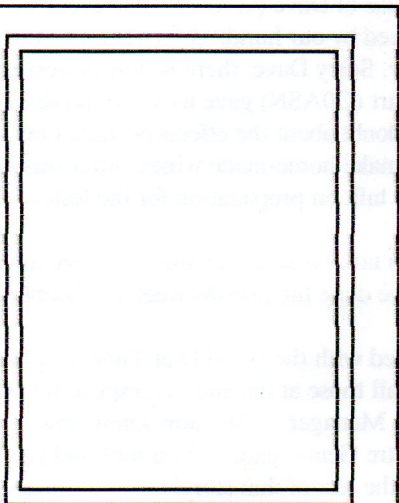

A photographic competition is being organised this year. The photographs will be judged by Jean Watson, a very well known amateur photographer in JO 01. It is intended that the competition will be more for fun and therefore everyone will be able to take part.,

The rules are simple ( they have to be for the editor to understand them). You can enter as many photos as you like in each of the 3 groups. Each photo should be post card size and mounted on A4 White Paper. Each mount should have the name of the Entrant and in which catagory the photo is intended. Suitable mounts can be made available if required. A specimen is shown alongside.

#### The Groups are:

1. Antennas
2. Equipment
3. People in Action.....(Radio related only!)

Judging is to take place on Wed 21 Oct 98.

Group:                      Name:
